Empower & Unite

EMPLOYEES IN SUPPORT OF CHARITABLE GIVING

Please give to this year's Commonwealth of Massachusetts Employees Charitable Campaign. Join us in our vision to have COMECC known for its ability to empower and unite employees in support of charitable giving.

What is COMECC?

The Commonwealth of Massachusetts Employees Charitable Campaign, established in 1984, is governed by Executive Order 404. COMECC, the only authorized payroll deduction workplace solicitation, is conducted under the authority of the Secretary of Administration & Finance. COMECC is private, voluntary and confidential. It affords state employees the opportunity to support private, nonprofit health and human services and environmental organizations. Each year, the Secretary selects a Statewide Campaign Manager for overall management of the campaign and a Local Campaign Manager to conduct and manage COMECC in each of the regions.

About your Statewide and Local Campaign Managers:

This year, United Way of Massachusetts Bay applied for and was selected as the Statewide Campaign Manager. The Statewide Campaign Manager is responsible for production of all materials. The following organizations applied for and were selected as the respective Local Campaign Managers:

United Way of Massachusetts Bay	Region 1
United Way of Greater New Bedford	Region 2
United Way of Central Massachusetts	Region 3
Hampshire Community United Way	Region 4
Berkshire United Way	Region 5

The Local Campaign Managers oversee the participant application process, the conduct of COMECC and the processing, accounting, reporting and distribution of all funds contributed in each region.

Why COMECC?

It is the one opportunity state employees have to share in the spirit of giving, in order to assist those who might be experiencing hardship or temporary crisis in their lives. Your one-time contribution or payroll deduction can make a significant difference in the lives of children, families and communities across the state, the country and the world.

What is the easiest way to give?

Can I change my pledge?

Giving through payroll deduction is easy and convenient. You are provided with a pledge form; you determine the amount you would like to contribute, as well as which agency(ies) or federation(s) will receive your contribution, and we do the rest. Any questions you have about your pledge can be answered by contacting your office representative (key person) who has been trained by COMECC, or by calling the COMECC office directly at 617-727-1119.

Can I change my pledge?

Yes. Simply notify your agency's payroll office and the change will be made.

How is my gift distributed?

You, the employee, determines who will receive your gift. When you give to COMECC, you have the choice of designating all or part of your gift to a particular agency or federation listed in this brochure.

How much of my gift is used towards fund raising and administrative costs?

Through the outstanding oversight efforts of the COMECC committees, less than 10% of the funds raised are used for fund raising and administrative costs. Because this cost is so low compared with other fund-raising campaigns, every dollar you pledge goes a very long way toward helping others.

What happens to my gift if I do not designate it to a specific agency?

The undesignated dollars are distributed to all of the organizations participating in COMECC in the same proportion that they received designations in the campaign.

What about the percentage number listed in the brochure at the end of the agency/charity's name?

The percentage number listed at the end of each agency/charity's name is its fund raising and administrative expense. This percentage is computed from information the agency/charity reports to the IRS on its Form 990.

Can I be acknowledged for my gift from the agency/charity I designate?

Yes. A request for acknowledgement of your gift by the agency(ies) or federation(s) you designated can be made by simply completing sections 6 and 7 on the pledge card with your name, address and signature. The Local Campaign Manager will forward your request to the agency(ies) or federation(s) responsible for responding.

2002 COMMONWEALTH OF MASSACHUSETTS EMPLOYEES CHARITABLE CAMPAIGN

A Message to State Employees

For FY 2001, you, the employees of the Commonwealth of Massachusetts, collectively pledged more than \$2.3 million, the highest amount ever pledged! ***Empower and Unite Employees in Support of Charitable Giving*** continues to be the theme and vision adopted by your employees' Strategic Review Committee to guide COMECC's efforts to be responsive to your values, preferences and expectations for charitable giving. We recognize that this theme holds true now more than ever. Your support in COMECC's effort to enrich the lives of children, families and communities across the state, the country and the world has been steadfast and noble. Together, we have made a difference, and together, we must continue to be the voice of those charitable causes we hold so very dear to us. With success comes responsibility to do more. As a clear and singular force in charitable giving, we must set an even higher standard, an even higher goal. Our peers would accept nothing less. In pursuit of this cause, we have attempted to listen to your concerns. We continue to adopt cost-saving measures by incorporating brochure changes made in 1997 as part of a standard brochure appearance. As always, your COMECC donation remains private, confidential and voluntary. ***Empower and Unite ...*** the mission remains clear; our call to action with resolve and determination remains unwavering.

For more information, call COMECC at 617-727-1119.

It's your charitable campaign!

If you have any comments, recommendations or suggestions, please forward them to the COMECC office:

“COMECC is the best avenue I know of for all of us to show appreciation for the support of our facilities and programs that are funded by public monies provided by the citizens of Massachusetts — many of whom are much less fortunate than us and need support. The nonprofit agencies in COMECC help them have a better quality of life.”

"I have found most employees have organizations or causes that hold particular significance for them. By donating through COMECC, the employees can not only personalize their contribution but also donate to several different organizations in one easy step. This has been an important part of our campaign successes."

“Most of us are generous by nature and concerned about issues like homelessness, disabilities, and medical research, but perhaps uncomfortable with seeking a charitable organization on our own. COMECC alleviates this by offering us more than 1,000 health, human service and environmental agencies to choose from, thus giving us the opportunity to help support what we feel is a worthy cause.”

*-Deborah Harrison, Administrative Assistant
Applied Information Technology Department
Department of Mental Health*

“COMECC gives me an opportunity to give to charities that I don't have the resources to find on my own. The COMECC booklet lists more than 1,000 organizations from which contributors can choose. Each of the listed agencies helps us, our families, neighbors and friends, during good times and difficult times in our lives. COMECC is the only authorized payroll deduction workplace solicitation. The convenient payroll deduction method makes it easier for me to be more generous each year.”

*-Stephen Rawlinson, Correction Officer
